

CRESSINGHAM GARDENS ESTATE

AUGUST - SEPTEMBER 2018

WHAT'S HAPPENING ON YOUR ESTATE

In order to provide more and better homes for residents and people in the borough, Lambeth are rebuilding Cressingham Gardens Estate. The Design Team will ensure we produce plans which you, the residents have been able to help shape. We will work hard to ensure that you are:

INFORMED about what is happening,
INVOLVED in the process, so that you can;
INFLUENCE what happens next.

AFTERNOON TEA

Come along for a relaxing afternoon of tea, cake and conversation with your neighbours.

Saturday 8th September

The Hub, 8 Longford Walk

12 noon – 2pm

An opportunity to get to know the Resident Engagement Team, who are happy to answer your questions about the Cressingham rebuild.

DESIGN FORUM

As the rebuild moves forward, the Design Forum is providing an important voice for you in how the new estate is designed.

We held the first meeting on 30th July, which focused on the principles of the Design Forum and an overview of the design process.

We'll meet again on Monday 3rd September to discuss the future of the open spaces and the outcomes from the tree survey. We hope to see you there.

Joining the Design Forum will help shape your new estate. As a member you will:

- Make sure the views of residents are taken into account, by **encouraging their participation** and also by passing on their views to the Design Forum
- **View and input** into Design Workshops and plans that will be presented to the rest of the estate
- Develop a broader **knowledge** and **understanding** of the plans for the rebuilt estate and the planning process
- Discuss wider **social aspects** of the regeneration and how we engage with residents

Join us: Monday 3rd Sept, 7.00pm - 8.30pm
The Hub, 8 Longford Walk

CRESSINGHAM KIDS FIND PIRATE TREASURE!

In our previous newsletter we invited all Cressingham families to come to The Hub at 8 Longford Walk for a family-friendly pirate treasure hunt on Monday 13th August.

From the swing to the sunflowers, to the longest board walk to the highest hill on the estate, brainy buccaneers worked as a team through a series of complex clues to find hidden pirate treasure on the estate!

We also gave children disposable cameras, so they could take pictures of what they treasure on the estate. The images are being developed and will be available for viewing at The Hub.

COUNCIL DROP-IN: If you have any questions or concerns regarding the rebuilding plans and how they may affect you, come to speak with Dionne and Abdul at our weekly sessions.
